Second General Partner Meeting

2 May, 2023

VolkswagenStiftung

AI FORA
artificial intelligence for assessment

https://www.ai-fora.de

JG|U

Podium

- Podium pools 3 case studies from our set of 9

- Distance from high-level strategy

- Due to different reasons

  - USA just started research / original case did not materialise due to Covid19-related issues / catching up

  - Iran and Nigeria not funded by AI FORA / no access to resources of high-level strategy (Ukraine exception)

- Important for AI FORA

Structure

- Emmanuel Ejim-Eze ((Department of Science Policy and Innovation Studies, National Centre for Technology Management Head Quarters, Obafemi Awolowo University, Nigeria)
  - Unfortunately, Emmanuel did not get his visa
  - No stable internet connection to Nigeria for virtual talk
  - Case study update available as pdf

- Margaret Hinrichs and Chelsea Dickson (USA)
  - Introduction to new case study (10 min)
  - Discussion of path to high-level strategy (5 min)

- Hassan Bashiri (Iran)
  - Update on Iran case (10 min)
  - Discussion of own modelling strategy (5 min)
